

OSA 1500-63

18 March 1963

MEMORANDUM FOR : Chief, Engineering Analysis Division, OSA

SUBJECT :

25X1

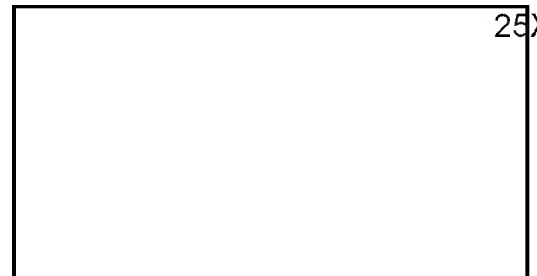

Request you take no action at this time to let study or feasibility contracts on this subject until we have had time to explore with the DD/R and the D/NRO the implications of developing equipment which we might not be able to employ for U. S. policy reasons.

JAMES A. CUNNINGHAM, JR.
Deputy Assistant Director
(Special Activities)
